## clocks

Lowell presenta la collezione clocks, una serie di creazioni adatte a tutti gli stili di vita.

L'accuratezza dei particolari, le raffinate soluzioni decorative e l'uso sapiente dei diversi materiali, ne fanno i complementi ideali per ogni soluzione di arredo.

*Lowell presents its Clocks collection, a line of creations to suit any lifestyle.*

*The exquisite details, the elegant decorative ideas and the expert use of differing materials make these timepieces ideal solutions for any furnishing context.*

Dal 1972 **Lowell** è specialista in orologi.

Nata come azienda produttrice di orologi da parete, Lowell ha ampliato negli anni la sua attività a tutti i settori della misurazione del tempo: orologi da arredo, orologi a pendolo, gransaloni, orologi da tavolo, sveglie, stazioni barometriche, fino alle collezioni esclusive di orologi da polso. La continua ricerca di linee e materiali, l'attenzione alle tendenze del design, le esclusive tecniche di lavorazione, la passione e lo stile tipiche del Made in Italy sono gli elementi distintivi di tutti i prodotti firmati Lowell.

**Lowell**, specialising in clocks since 1972

Launched as a company producing wall-clocks, over the years Lowell has broadened its activities to all areas of time measurement: from design clocks, pendulum clocks, hall clocks, table clocks, alarm clocks, barometer clocks, to exclusive wristwatch collections. The continuous quest for new shapes and materials, the sensitivity to design trends, the exclusive production techniques, the passion and the sense of style typical of Italian quality are all distinctive features of every Lowell product.

Depuis 1972, **Lowell** est spécialisé dans la fabrication d'horloges et de pendules. Née comme entreprise productrice de pendule murales, Lowell a progressivement élargi son activité à tous les secteurs de l'horlogerie : pendules décoratives, horloges à pendule, grosses horloges à balancier, réveils, stations météo barométriques, jusqu'aux collections exclusives de montres-bracelets. La recherche continue de lignes et de matériaux, l'attention portée aux tendances du design, l'exclusivité des techniques de fabrication, la passion et le style du Made in Italy sont les signes distinctifs de tous les produits signés Lowell.

**Lowell** ist Uhrenspezialist seit 1972. Das als Hersteller von Wanduhren entstandene Unternehmen hat seine Tätigkeit im Laufe der Jahre auf das gesamte Spektrum der Zeitmessgeräte erweitert: Wohnraumuhren, Pendeluhr, Standuhren, Tischuhren, Wecker, Wetterstationen bis zu exklusiven Armbanduhrkollektionen. Kontinuierliche Form- und Materialforschungen, die aufmerksame Wahrnehmung der Designtrends, exklusive Fertigungstechniken, die Leidenschaft und das Stilempfinden des Made in Italy sind die auszeichnenden Merkmale aller Produkte mit der Lowell Signatur.

**Lowell** es especialista en relojes desde 1972. Nacida como empresa fabricante de relojes de pared, con los años ha ampliado su actividad a todos los sectores de la medición del tiempo: relojes decorativos, de péndulo, de pie y de sobremesa, despertadores y estaciones barométricas, hasta llegar a las exclusivas colecciones de relojes de pulsera. La continua investigación de formas y materias, la atención a las nuevas tendencias y la tecnología de punta, sumadas a la pasión y al estilo típicos del made in Italy, son los elementos distintivos de todos los productos firmados por Lowell.

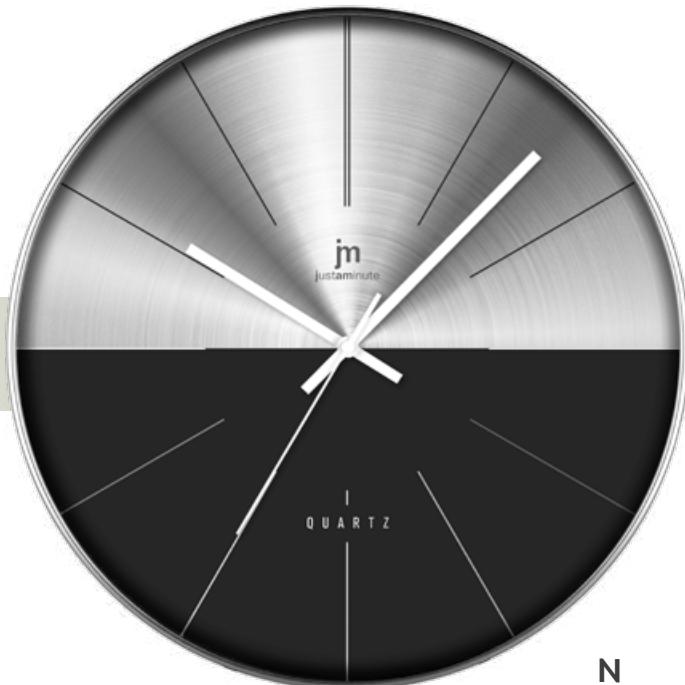

С 1972 года компания **Lowell** специализируется в области часов. Изначально выступая как часовая фабрика-производитель, Lowell с годами расширила диапазон своей деятельности на все сферы измерения времени: декоративные часы, часы с маятником, напольные часы, настольные часы, будильники, барометрические станции, а также эксклюзивные коллекции наручных часов. Неустанный поиск новых стилистических решений и материалов, внимание к тенденциям дизайна, эксклюзивные техники изготовления, вложенная страсть и стиль продукции под знаком "Сделано в Италии", являются характерными чертами всех изделий под маркой Lowell.

# CUCÙ AL QUARZO TEDESCO DELLA FORESTA NERA

**80-QQ532-2Q**  
altezza/height cm. 35

Classico cucù al quarzo tedesco della Foresta Nera.

*Classic quartz cuckoo clocks from German Black Forest.*

## N.B.

I cucù con movimento al quarzo hanno l'arresto della suoneria automatico pilotato da un sensore a luce.

*The quartz cuckoo clocks have the automatic chime-stop by a light sensor.*

A mezzo di un pulsante posto sulla destra dell'orologio è possibile dimezzare il volume della suoneria e ottenere l'arresto totale delle 24h.

*It is possible to decrease the chime volume and get the 24-hour shut off using the button located on the right side of the clock.*
